

Sense of Community

Dr. Deb Oro

Life is teamwork.

You can't get through it without others.

As a team we bolster each other.

Healthiest Town in America is an initiative developed to elevate each individual's health and well-being, organized as a team effort of our community's businesses, organizations, Chamber of Commerces, and towns in Northwest Pima County.

You're invited to the kickoff!

Saturday, January 17, 2009

10 am to 2pm

Oro Valley Marketplace

Come join in on the fun with our community and start to live a healthier lifestyle.
